Company Profile

Nantong Glory Medical Material Co., Ltd was founded in 2016, our factory is strategically located in economically developed Yangtze river delta area which have very convenient transportation access to Shanghai Port.

We specialize in the manufacturing of various disposable medical consumables. Our product range includes absorbent gauze, medical bandages, non-woven products, medical tapes, absorbent cotton, ostomy bags, syringes, sutures, infusion sets, and first aid kit accessories, among others.

Furthermore, we have established joint ventures with renowned medical instrument manufacturers. Through these partnerships, we are able to offer medical gloves (latex, nitrile, PVC, etc.), cannula, nasal oxygen tubes, and other tubes, nebulizers masks, wheelchairs, and various other medical instruments.

Our products have gained remarkable traction in the market, with a strong presence in over 1000 medical units across Europe, Africa, Asia, the Middle East, and South America. We have already obtained ISO13485 quality system approval and CE certificate(MDR) for the majority of our products.

Long-term program, quality first. We operate on a long-term vision and place utmost emphasis on quality. Our commitment to quality is reflected in our meticulous production processes, stringent quality management, and focus on product quality systems, enterprise branding, and after-sales service.

We are dedicated to leveraging advanced technology and scientific management to continuously improve our quality systems, ensuring that we offer our customers high-quality products and exceptional services.
